Swop Spa

Beds to chillax!

Naggura Swop Spa beds, are an innovative, comfortable and high quality line of tables.

Swop S4 Spa UP

Top quality Spa bed with double column structure. It is equipped with 4 engines that adjust the height, backrest, leg-rest and tilt. Equipped with 3 memory positions and reset function. Continuous mattress in viscoelastic material offering high comfort to the patient. Swop S4 is equipped with heating system as standard. Retractable wheels and white Led lighting on the base.

01

Double column

The double column base makes the bed extremely stable and versatile. The 4 engines allow reaching multiple positions, also Trendelenburg and anti-Trendelenburg. This Spa bed is conceived to be a premium Spa bed offering a multifunction solution.

Rise your treatments to the next level!

02

MOVE pack by Naggura

x3 times faster motors than traditional beds. 3 memory positions to optimise treatments and reset function. Safety lock to turn the bed on & off.

Always on the UPgrade!

03

TwinLift by Naggura

Patented armrest system. Ergonomic and easy to use. The arm supports can be lowered and lifted by the patient himself.

Make yourself comfortable!

04

Wheels

Swop S4 Spa UP comes with wheels that can be blocked and unblocked using a lever.

Swop on wheels!

05

Heating

High quality mattress with memory foam and heating as standard.

Calm down and bright UP your day!

Available in white or brown upholstery.

06

Naggura Skin

High-end upholstery made of vinyl coated fabric that offers optimum quality, resistance and durability.

The best skin for your table!

07

Wood finishes

Natural wood finishes on the bed frame give a soft and warm look to the table.

Naturally relaxing!

08

Interchangeable Panels & LED lighting

Cause you never get up in the same mood! Swap the front panels and you will get a brand-new table in a matter of seconds. It's time to bring colour and light to your consulting room.

A professional treatment table doesn't have to be boring!

09

Bamboo Sound System

Never thought you could bring music to your treatment table? Choose the Bamboo Sound System with Bluetooth connection and place it into its housing on the table base or simply take it out and put it on your desk.

Since well-being and music are the perfect duo!
